Unleash your inner mastermind and hold a quiz to help reach your fundraising target.

We have put together our very own quiz pack which includes:

- Our top tips for hosting your own quiz
- Eight rounds of questions based on cultural themes
- A picture round of famous artwork
- A musical round of songs from musicals
- Answer sheets to give out to your guests

Maggie’s top tips for hosting a quiz:

1. **Find a suitable location**
   Perhaps you could hire the village hall or the local pub for an evening. If they already have a weekly quiz at the pub, why not ask if you could take it over one week with all of the profits going towards your fundraising total? Think about how many people you expect to take part as this will help with your choice of venue.

2. **Source prizes for the winners**
   Being able to offer some great prizes will help with recruiting teams to take part in the quiz. You could ask local businesses to donate prizes such as 50% off the food bill at the local Chinese restaurant or gift vouchers to spend in local shops. If you are struggling to find prizes, you could also offer a percentage of the takings for the winning team.

3. **Recruit a host**
   Do you know somebody who is a confident public speaker? Are they funny and entertaining? Why not ask them to come along and host the quiz for you?

4. **Make an evening of it**
   Rather than organising the quiz on its own, you could run it as part of a dinner and quiz evening. You would need to charge a higher entry fee to cover the costs of the dinner; however, some sports clubs and pubs may be able to offer you a discount on the food if you are bringing lots of people to their premises.

5. **Fundraise**
   Consider how you are going to use this event to fundraise towards your fundraising target. You could:
   - Charge individuals to enter the quiz
   - Charge teams to enter
   - Run a raffle
   - Place collection tins on the bar at your venue
   - Add your JustGiving URL to your invites
   - Offer hints for difficult questions for £1 each

6. **Invite everyone!**
   Invite all of your friends and family to come along to your quiz. Advertise at your school, college, workplace or social club and in the local area to increase the number of people who sign up. After all, the more people who take part, the more money you will be able to raise!

7. **Choose your questions**
   Pick 4 to 6 rounds of questions including either the “Picture Round” or “The Sound of Musicals” round to mix it up a bit! You can use the questions in this pack or make up your own.

8. **Have fun!**
   Enjoy yourself and have a great time fundraising with your friends and family!
